# 1 EXPLORE

## ONE-TRACK MIND

The all-new Ford Mustang Mach 1 is the most track-capable 5.0-litre V8 Mustang ever. Packing a specially calibrated engine producing up to 460 PS (338 kW) at 7,250 rpm, the Mach 1 is a serious Mustang for those serious about performance.

**Note** Professional driver. Closed course.  
\*Manual transmission model tested to the track endurance standards of the 2012 Ford Mustang Boss 302.

*Mustang Mach 1 Fastback in Fighter Jet Gray with black hood and side stripes with orange accents (option) and 19" 10 Y-spoke design alloy wheels with high gloss Magnetic painted finish (option).*

**1** EXPLORE

## RELEASE THE HORSES

### PURE EXHILARATION

First introduced in 1969, the Mustang Mach 1 focused on developing the qualities of the GT version, with an emphasis on performance and design enhancements. Today's Mach 1 continues this concept by adding a wealth of exciting Ford Performance parts from Shelby GT350 and Shelby GT500, while celebrating the spirit of the original model.

Built for pure exhilaration, its features include:

- **Aerodynamic Performance**, the new front aero, splitter and approach angle increases overall aerodynamic performance. The rear diffuser from GT500 contributes to airflow improvement and works in tandem with the rear axle cooling system to optimize airflow and provide a direct exit path. The new belly pan is the single most important aero upgrade and provides significant extra downforce delivering more traction and stability when cornering. (Standard on Mach 1)
- **Transmission**, previously only available on the Ford Performance offerings, the 6 Speed Manual transmission has been tested to Boss 302 track endurance standards. The 10 Speed Automatic transmission has also been upgraded to feature a new torque converter supporting optimized torque capability and performance. Transmission calibration improvements also deliver improved sport shifting. (Standard on Mach 1)

**Note** Professional driver. Closed course. Do not attempt.

*Mustang Mach 1 Fastback in Oxford White body colour with black hood and side stripes with red accents and 19" 10 Y-spoke design alloy wheels with high gloss Magnetic painted finish (option).*

*Mustang Mach 1 Fastback in Grabber Yellow body colour with black hood and side stripes with white accents (option) and 19" 10 Y-spoke design alloy wheels with high gloss Magnetic painted finish (option).*

## PUSH THE LIMITS

The Mustang Mach 1's design and engineering team pushed the limits with an exclusive high performing powertrain and chassis. And enhanced its track endurance by adding three further heat exchangers and two pumps for extra cooling.

The unique aerodynamic design and Ford Performance driver control technologies make every moment behind the wheel exhilarating. At the track, performance improves even more thanks to its upgraded chassis, high performing Michelin PS4 tyres and fast response brake booster.

## RACE CONTROL

### HIGH STYLE AND AGILITY

Mustang has always been a unique sports car, and with Mach 1 the experience soars to a new high. From the optional unique Recaro front sports seats to the specially-developed chassis with fully-independent suspension, stiffer anti-roll bars and front springs, and precision steering, it's the most engaging and agile production Mustang ever.

- **Recaro front sports seats** hint to the Mach 1 heritage and hold you firmly in place – turn after turn. (Option on GT and Mach 1)
- **All-independent suspension** geometry has been tuned to provide anti-squat, anti-lift and anti-dive characteristics. This helps keep Mustang's body more level under hard acceleration or braking. (Standard)
- **MagneRide® Damping System** delivers the ultimate Mustang driving experience. The system (with unique calibration for Mach 1) monitors and adjusts itself thousands of times per second to deliver exceptional levels of stability, comfort and control. Four settings (Normal, Sport, Track and Drag), let you tailor the handling to suit the road conditions and your driving style. (Standard on Mach 1, option on GT)

*Mustang Mach 1 Fastback in Fighter Jet Gray with black hood and side stripes with orange accents (option) and Recaro front sports seats in Ebony (option on GT Fastback and Mach 1).*

## LIBERATED

Enjoy the wind in your hair with the captivating Ford Mustang Convertible. Designed from the very start as a convertible, it's packed with all the performance and attitude of the Fastback, but with the added thrill of open-top driving.

*Mustang GT Convertible in Antimatter Blue body colour (option) with 19" 5x2-spoke design Luster Nickel painted forged aluminium wheels (option).*

## CONNECT TO THE ROAD

### INSPIRED DESIGN

Taking inspiration from aircraft cockpit design, Mustang delivers a thrilling drive. Important controls are perfectly placed within easy reach of the driver, with every element specially designed to heighten your connection to the road.

- **Digital LCD instrument cluster** lets you customise what you can see while you're on the move. Fully-configurable digital cluster lets you choose from Normal, Sport and Track modes to personalise the information displayed, right down to the colour of your gauges. (Standard)
- **Mustang MyMode** allows you to save your favourite drive settings, including suspension and steering preferences. (Standard)
- **B&O Premium Sound System** with 12 speakers elevates the experience of every journey, letting you experience your music the way the artists intended it to be heard. (Standard on Mach 1, option on GT)
- **Leather-trimmed 3-spoke sports-style steering wheel** with iconic Mustang logo feels just right in your hands. (Standard)

*Mustang GT Convertible in Antimatter Blue body colour (option) with Salerno leather seats in Tan.*

## PURE THOROUGHbred

From every angle, Mustang GT makes a powerful impression. At the front you'll find an aggressive mesh grille, and a front splitter that's designed to enhance handling and aerodynamic efficiency. Air extractor vents not only turn heads, but help to ensure the engine remains cool, even in the most demanding conditions. And no one should fail to notice its eye-catching LED headlights with instantly recognisable tri-bar signature lighting.

*Mustang GT Fastback in Twister Orange body colour (option) with black over-the-top stripe (option) and 19" 5x2-spoke design Luster Nickel painted forged aluminium wheels (option).*

## 1 EXPLORE

# EXPLORE YOUR OWN SPACE

## INTERIOR FEATURES

Mustang's welcoming cockpit features leather-trimmed seats with six-way power adjustment and a driver's power lumbar support so you can find your ideal driving position. The front door scuff plates feature an illuminated 'MUSTANG' nameplate.

- **Leather-trimmed seats** are standard on the Mustang GT Fastback and Convertible. (Standard on GT)
- **Heated and cooled front seats** further enhance your driving comfort, whatever the weather. (Option on GT, Standard on Mach 1)

**Leather-trimmed heated and cooled front seats** with six-way power adjustment. The driver's seat also includes a power lumbar support. (Option on GT, Standard on Mach 1) (Not available with optional Recaro front seats)

Mustang GT Fastback in Antimatter Blue body colour (option) with Premium Luxury Grain Leather seats in Ebony with Metal Grey stitching (option).

## ADAPT TO TRACK

### GET MORE FROM EACH DRIVE

With its advanced technology and effortless performance, Mustang takes driving enjoyment to a new level. Whether it's customising gauges inside the cockpit or effortlessly spinning the rear wheels, Mustang's Track Apps\* (standard) displays fun and useful real-time performance information to help you get the most from each drive. Tracks Apps include:

- **Line Lock** locks the front brakes so the rear wheels can spin freely, allowing you to heat up your tyres for better traction
- **Accelerometer** displays the car's rate of acceleration or deceleration on a virtual gauge in the cluster
- **Acceleration Timer** measures acceleration sprints and features a Christmas tree-style timer for a real-world type of racing experience
- **Launch Control** helps limit the amount of torque distributed to the rear wheels to help prevent wheelspin

\*For track use only. Not to be used on public roads. Not to be used under any other driving conditions. May void your vehicle's limited warranty. See your Owner's Manual for information on use.

*Mustang Mach 1 Fastback in Fighter Jet Gray body colour with black hood and side stripes with orange accents (option) and 19" 10 Y-spoke design alloy wheels with high gloss Magnetic painted finish (option).*

| SYNC

## EXPLORE

# CONNECTED AND IN CONTROL

### FORD SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone to make communication and navigation effortless\*. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

### FORDPASS CONNECT

The FordPass Connect modem built into your car enables a range of features designed to make driving easier and more enjoyable\*\*. These include Live Traffic† which delivers up-to-date traffic information to your SYNC Navigation system, and Local Hazard Information†† that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall‡ automatically places a call with the emergency services and shares your location. While for optimum connectivity, it also provides on-board Wi-Fi\*\*\* for a maximum of ten devices.

### FORDPASS APP

Get the most from your connected car experience with the FordPass app. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning (models with automatic transmission only).

Health Alerts send important information, such as tyre pressure and fuel level warnings, direct to your phone.

Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration, and more. You can log your journeys under personal or business categories and export the data. The app can also provide useful feedback on how to drive more efficiently, by showing you where you've braked too suddenly, accelerated too fast, or cornered too harshly.

**Please note:** Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

\*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

\*\*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for 10 years, thereafter a subscription may be payable.

\*\*\*Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial for a limited time only that begins at time of activation. Afterwards, data bundles can be purchased from Vodafone. Please refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, Ford vehicles must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

†Live Traffic access is complimentary for the first 12 months following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

††Local Hazard Information is complimentary for the first 12 months following the registration of a new Ford with certain driver information modules; thereafter a licence subscription is required.

‡Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

## 1 EXPLORE

### REV-MATCHING

Mustang's 6-speed manual transmission is offered with rev-matching. This feature is designed to enhance the driving experience by matching the throttle position to the wheel speed for smooth gear changes, especially when down-shifting. Can be turned on/off in Track Apps. (Standard with manual transmission)

### ACTIVE VALVE PERFORMANCE EXHAUST

Mustang is so customisable that even its engine note can be adjusted. A quad-tip active exhaust allows you to change the tone and volume of your exhaust system at the push of a button. Mach 1 features 4.5" quad exhaust tips with perforations to enhance sound quality, plus unique active exhaust tuning to match the car's distinctive character. (Standard)

**Note** Engine power output may be affected, depending on the exhaust mode selected.

### BONNET AIR VENTS

Air extractor bonnet vents help to keep your Mustang operating efficiently by extracting heat and allowing fresh cold air to enter the engine bay. (Standard)

### FRONT AIR DUCTS AND SPLITTER

Unique lower front bumper intakes help maximise airflow to cool the engine and brakes for improved performance. Large brake cooling ramps compliment the airflow from the cooling ducts. A front splitter increases front downforce and reduces aerodynamic drag, while directing airflow into the engine bay for optimum cooling. A new belly pan with large 'underwing' feature further improves both downforce and brake cooling airflow. Overall, Mach 1 has 22 percent more downforce than a Mustang GT. (Standard on Mach 1)

*Mustang Mach 1 Fastback in Fighter Jet Gray body colour with black hood and side stripes with orange accents (option) and 19" 10 Y-spoke design alloy wheels with high gloss Magnetic painted finish (option).*

# 2

## SELECT

With a choice of Fastback or Convertible bodystyles, exterior and interior styling options, and GT or iconic Mach 1 series, every new Ford Mustang generates its own set of thrills.

## GT Fastback

From any angle, there's no mistaking Mustang GT Fastback. The long powerful bonnet, distinctive profile and tri-bar lights are signatures to get your pulse racing. As does its blistering performance.

### Standard features include

- 5.0L Ti-VCT V8 450 PS (331 kW) petrol engine
- 19" x 9" (front) and 19" x 9.5" (rear) 10 Y-spoke design alloy wheels with gloss black painted finish
- Leather seat trim in choice of Ebony, Ceramic or Tan
- Brembo® 6-piston front brake calipers
- SYNC 3 with TFT touchscreen and nine speakers

## GT Convertible

Mustang GT Convertible is a visceral experience. From its unmistakable V8 rumble, to the power-operated roof, it will help brighten any day.

### Standard features include

- 5.0L Ti-VCT V8 450 PS (331 kW) petrol engine
- 19" x 9" (front) and 19" x 9.5" (rear) 10 Y-spoke design alloy wheels with gloss black painted finish
- Leather seat trim in choice of Ebony, Ceramic or Tan
- Brembo® 6-piston front brake calipers
- SYNC 3 with 8" TFT touchscreen and nine speakers
- Power-operated black cloth convertible roof

## Mach 1

Built for the road, certified for the track, the legendary Mustang Mach 1 returns to transform every drive into an exhilarating ride to remember.

### Standard features include (additional to GT Fastback)

- 5.0L Ti-VCT V8 460 PS (338 kW) petrol engine
- 19" x 9.5" (front) and 19" x 10" (rear) 5-spoke design alloy wheels with low gloss Dark Tarnish painted finish
- Premium Luxury Grain Leather seat trim with accent stripe
- Black hood and side stripes with accents
- Unique aerodynamic package, including Mach 1 front grille, front splitter, belly pan with 'underwing' and brake cooling airfoils, and new rear valance
- SYNC 3 with 8" TFT touchscreen, navigation and 12 premium B&O speakers

## GT Fastback

### Standard exterior features

- 19" 10 Y-spoke design alloy wheels with gloss black painted finish
- LED headlights with integrated daytime running lights and automatic activation, high beam and levelling
- Halogen front fog lights
- LED tail lights
- GT design fender and rear badging
- Black mesh front upper grille with silver Mustang logo
- Heated and power-folding door mirrors with Mustang puddle lights
- Quad chrome exhaust pipe with Active Exhaust System
- Brembo® 6-piston front brake calipers
- Locking wheel nuts

### Standard interior features

- Leather\* sports-style seats in a choice of Ebony, Ceramic or Tan
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- 12" LCD instrument cluster
- Rear parking sensors
- Ford SYNC 3 with 8" TFT touchscreen and nine speakers
- Track Apps
- Leather-trimmed and heated steering wheel

### Engine

**Petrol**  
5.0L Ti-VCT V8 450 PS (331 kW)

### 3 PERSONALISE TRIMS

### WHEELS

#### Salerno Leather seat trims (standard on GT)

**Seat insert:** Mini Perf over Salerno Leather in Ebony  
**Bolster:** Salerno Leather in Ebony

**Seat insert:** Mini Perf over Salerno Leather in Ceramic  
**Bolster:** Salerno Leather in Ceramic

**Seat insert:** Mini Perf over Salerno Leather in Tan  
**Bolster:** Salerno Leather in Tan

#### Premium Luxury Grain Leather seat trim (standard on Mach 1)

**Seat insert:** Register Enhanced Mini Perf over Luxury Grain Leather in Ebony with Light Dove Gray accent stripe  
**Bolster:** Lux Grain Vinyl in Ebony with Metal Grey contrast stitching

#### Premium Luxury Grain Leather seat trim (part of Mach 1 Appearance Pack<sup>1)</sup>)

**Seat insert:** Register Enhanced Mini Perf over Luxury Grain Leather in Ebony with Orange accent stripe  
**Bolster:** Lux Grain Vinyl in Ebony with Metal Grey contrast stitching

#### Recaro sports seat trim (option on GT and Mach 1)

**Seat insert:** Salerno in Ebony/Mini Perf over Salerno in Ebony  
**Bolster:** Mini Perf over Salerno in Ebony/Salerno in Ebony

**Note** Heated/cooled seat feature is not available for Recaro seats.  
<sup>1</sup>Please refer to Section 4, Specifications for Mach 1 Appearance Pack content.

**19"**  
**19" x 9" front/19" x 9.5" rear**  
**10 Y-spoke design alloy wheels with gloss black painted finish**  
Fitted with 255/40 front and 275/40 rear tyres.  
(Standard on GT)

**19"**  
**19" x 9.5" front/19" x 10" rear**  
**5-spoke design alloy wheels with low gloss Dark Tarnish painted finish**  
Fitted with 255/40 front and 275/40 rear tyres.  
(Standard on Mach 1)

**19"**  
**19" x 9" front/19" x 9.5" rear**  
**5x2-spoke design Luster Nickel painted forged aluminium wheels**  
Fitted with 255/40 front and 275/40 rear tyres.  
(GT option)

**19"**  
**19" x 9.5" front/19" x 10" rear**  
**10 Y-spoke design alloy wheels with high gloss Magnetic painted finish**  
Fitted with 255/40 front and 275/40 rear tyres.  
(Mach 1 option)

**Note** All alloy wheels are available as accessories through your Ford Dealer at extra cost.

Mustang Mach 1 Fastback in Fighter Jet Gray body colour with black hood and side stripes with orange accents (option) and 19" 10 Y-spoke design alloy wheels with high gloss Magnetic painted finish (option).

GT Fastback in Race Red body colour (option) and 19" 5x2-spoke Luster Nickel painted forged aluminium wheels (option). Oxford White over-the-top stripes not available in IRL market.

### 3 PERSONALISE

### STRIPES AND CALIPERS

#### GT options. Racing stripes

Oxford White over-the-top stripe (not available in IRL market)

Black over-the-top stripe

Black herpa print 3M stripe

Black over-the-top stripe available on Fastback and Convertible bodystyles, all body colours except Shadow Black.  
 Oxford White over-the-top stripe available on Fastback bodystyle only, all body colours except Oxford White.  
 Black herpa print 3M stripe available on Fastback and Convertible bodystyles. (See Accessories page for details)

#### Mach 1 Option 1. Black hood and side stripes with orange accents. (Part of Mach 1 Appearance Pack)

Fighter Jet Gray body colour

Orange Brembo® calipers

#### Mach 1 Option 2. Black hood and side stripes with red accents. (Standard on the following body colours)

Iconic Silver body colour

Shadow Black body colour

Oxford White body colour

Black Brembo® calipers

#### Mach 1 Option 3. Black hood and side stripes with white accents. (Standard on the following body colours)

Velocity Blue body colour

Twister Orange body colour

Race Red body colour

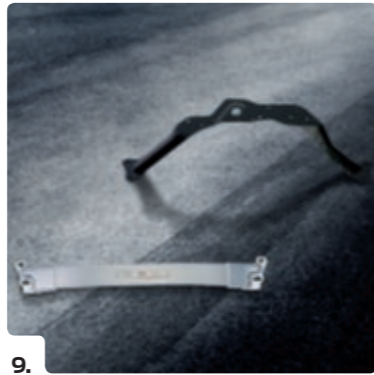

Grabber Yellow body colour

Black Brembo® calipers

**Note** Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

### 3 PERSONALISE ACCESSORIES

1. Performance Valve Cap
2. Boot liner
3. Rear spoiler
4. Rubber floor mats
5. Performance hood lifter
6. Performance gear shift knob
7. Performance shifter kit
8. Protective cover
9. Performance strut tower brace kit
10. Herpa print\* racing stripes
11. 19" Alloy wheel, 7-spoke Y design

Items ordered as an option, will be fitted in the factory. If ordered as an accessory, items will be fitted at the dealership. Fitment of accessories may have an impact on your vehicle's fuel consumption.

\*Item covered by third party supplier's warranty, please see back cover for details.

# 4

## SPECIFICATIONS

Get to know your Ford Mustang inside and out, from its engine performance technology to its exclusive interior features.

## MUSTANG MACH 1

**Legendary 5.0L V8 delivers up to 460 PS (338 kW) and 529 Nm of torque.**

<sup>0</sup>Uses sensors. <sup>1</sup>Driver Assistance feature. **Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.  
<sup>\*</sup>Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.  
<sup>\*\*</sup>Operates at speeds over 65 km/h on multi-lane roads with clearly visible lane markings. Lane-Keeping System does not control steering.

**1 Reward to rev**

Mach 1's recalibrated and upgraded 5.0L V8 features an open airbox for improved air flow, and delivers peak power at its 7,250 rpm redline.

**2 Manual transmission**

For faster gear shifting, Mach 1's TREMEC® 6-speed manual transmission has a twin-disc clutch, short-throw shifter and enhanced rev matching.

**3 Brembo® brakes**

Large six-piston Brembo® front brake calipers provide confident stopping power. (Standard)

**4 Rear axle cooling system, from GT500**

A rear heat exchanger assists in maintaining controlled differential temperatures for enhanced endurance. (Standard on Mach 1)

**6 Rear diffuser**

Mach 1's rear diffuser works in conjunction with the rear axle cooling for optimum air flow. (Standard on Mach 1)

In addition to its powerful braking system, Mustang benefits from a range of Driver Assistance technologies:

**Pre-Collision Assist<sup>02)</sup>\***

Scans the road ahead for moving objects and pedestrians, even at night, and is designed to warn you if a collision is likely. If you don't react, it automatically starts braking to help slow you down. (Standard)

**Distance Alert<sup>02)</sup>**

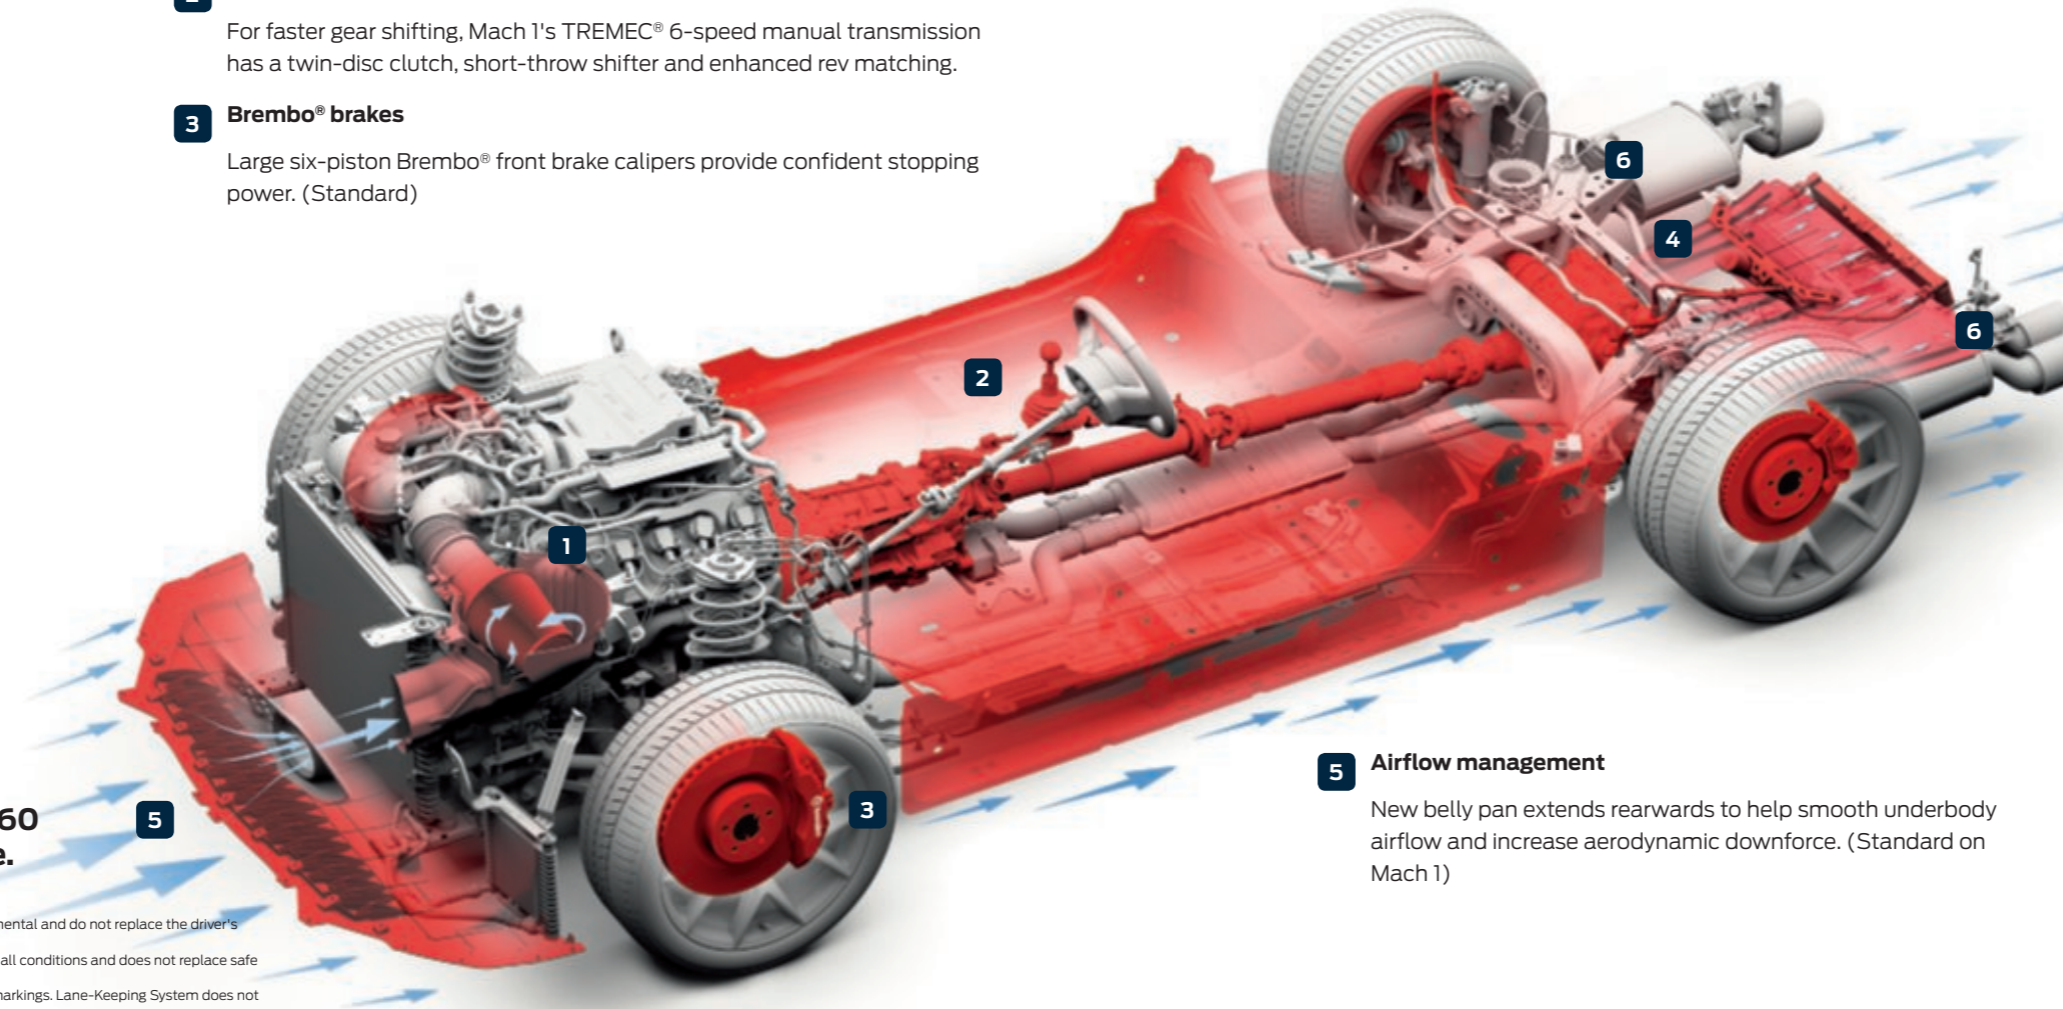

Displays the distance to the vehicle in front and can alert you if you get too close. (Standard)

**Lane-Keeping System<sup>02)</sup>\*\***

Warns you if you accidentally drift out of lane on a multi-lane road, and can guide you back into your lane. (Standard)

**Driver Alert<sup>02)</sup>**

Monitors your driving behaviour and can alert you if it detects signs of driver fatigue. (Standard)

**5 Airflow management**

New belly pan extends rearwards to help smooth underbody airflow and increase aerodynamic downforce. (Standard on Mach 1)

## 4 SPECIFICATIONS ENGINES

It's the unmistakable 5.0L V8 acceleration rumble that defines Mustang. From the GT's free-revving nature to the Mach 1's hard-charging power, there's nothing that sounds or performs quite like it.

### 5.0-LITRE V8 ENGINE

The acclaimed 5.0-litre V8 is the ideal engine for the Ford Mustang. Upgraded valvetrain and cylinder heads help the engine develop more than 450 PS (331 kW) and 529 Nm of torque. Mustang Mach 1 is powered by an upgraded 5.0-litre V8 engine delivering at least 460 PS (338 kW) and 529 Nm of torque.

## Fuel, performance and emissions

The test used to establish fuel consumption and CO<sub>2</sub> figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO<sub>2</sub> figures shown are derived from the new WLTP test. This will produce more accurate figures which most likely will be greater than those arrived at using the NEDC test. Please be mindful of this in making comparisons between vehicles where some manufacturers may still display the old NEDC figures. It should be noted that vehicle registration tax (VRT) and where applicable motor tax are now based on these WLTP figures in 2021. Understanding fuel data: The table below shows the fuel consumption (WLTP) and CO<sub>2</sub> emissions (WLTP) for each available engine when fitted on a standard specification vehicle (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuels consumption and CO<sub>2</sub> emissions. Please speak to your Ford Dealer for more information.

You can also use Ford's online configurator to build and customise a new Ford vehicle: [www.ford.ie/configurator](http://www.ford.ie/configurator). The configurator provides information about your configured vehicle's fuel consumption and CO<sub>2</sub> emissions (these are also WLTP test figures).

Highest Performing MPG (L/100km) Combined	23.2 (12.2)	23.9 (11.8)	22.6 (12.5)	23.5 (12.0)	22.8 (12.4)	22.8 (12.4)
<b>Weights and loads</b>						
Kerbweight <sup>#</sup>	1843	1831	1882	1893	1851	1851

<sup>o</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub>-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO<sub>2</sub>-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions and has fully replaced the NEDC test by end of 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under [www.seai.ie](http://www.seai.ie).

<sup>#</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted.

## Purchase

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

### Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

[www.ford.ie/cars](http://www.ford.ie/cars)

### Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

[www.ford.ie/dealer-locator](http://www.ford.ie/dealer-locator)

### Finance

When it comes to financing your vehicle, Ford Credit's size and expertise means they're well placed to provide you with a wide range of finance products. Ford Credit provides a range of finance products for your vehicle whether you are a private or business user.

The credit provider of these products is Bank of Ireland Leasing Ltd, trading as Ford Credit.

The FORD and FORD CREDIT trademarks are owned by Ford Motor Company and are used under licence.

For more information about the finance products provided by Ford Credit visit [www.ford.ie](http://www.ford.ie)

Lending criteria and terms and conditions apply. Applicants must be aged 18 or over.  
The information is for illustrative purposes only and does not constitute an offer.  
Warning: You may have to pay charges if you repay early, in full or in part, a fixed rate credit facility.

### Ford Lease

Ford Lease offers a leasing product for passenger cars and LCVs for business customers, with an optional Service and Maintenance plan for additional peace of mind.

Ford Lease is a contract hire and fleet management product provided in Ireland by Merrion Fleet Management Limited trading as Ford Lease, 15/16 Holly Avenue, Stillorgan Industrial Park, County Dublin, A94 XA72. Merrion Fleet Management Limited also trading as ALD Automotive is registered in Ireland No. 317799.

Ford Lease is a Registered Trademark of Ford Motor Company and used under license by ALD Automotive in relation to this product.

For more information about the finance products provided by Ford Lease visit [www.ford.ie](http://www.ford.ie)

Lending criteria and terms and conditions apply.  
The information is for illustrative purposes only and does not constitute an offer.  
The availability of tax and VAT benefits may vary subject to the facts and circumstances of individual cases and tax law is subject to change over time.  
Customers are therefore advised to seek professional advice with regard to taxation.

## Ownership

### FordPass app

The FordPass app gives you access to a host of useful features designed to make your journeys easier and help keep your vehicle healthy.

You can monitor your fuel level, mileage and tyre pressures from your smartphone; lock and unlock your car and heat your vehicle while you are elsewhere; find your way back to your parked car on a map; receive Vehicle Health Alerts directly to your phone, and much more.

[www.ford.ie/owner/owner-services/fordpass](http://www.ford.ie/owner/owner-services/fordpass)

## 5 Purchase Protect

### Ford BlueService

With Ford, the service doesn't end when you leave the showroom. Ford BlueService is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- **Free Electronic Vehicle Health Check with Video Reporting**
- **Free European Roadside Assistance**
- **Transparent prices**
- **A One Call number to connect you to all Ford services**

### Ford Protect

Extend your warranty up to 7 years/100,000km with Ford Protect. Extend your standard 2-year warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including\*:

- **High flexibility in duration and mileage**
- **Cover against unexpected repair costs**
- **Protection on trips abroad**
- **Inflation proof: all increases in repair costs are covered**
- **Protects your vehicle resale value**

Ford Protect terms and conditions apply see [www.ford.ie/shop/extras/warranties](http://www.ford.ie/shop/extras/warranties) for more information.

\*Ford Protect terms and conditions apply. Please call 03702 416 726, opt 2.

### Ford Protect Service Plans

For a one-off payment, you can cover the cost of your recommended scheduled services for up to 3 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your Southern Ireland and European Roadside Assistance will be increased to the length of your plan
- A full Ford Service History, which may enhance your car's resale value
