

i20

# Human Ready.

Inspire attention.

The Hyundai i20 is making a stir on the roads with its dynamic design and best-in-class technology and safety features. Its sporty style makes an impact and it's human ready, which means it's built around you to provide a seamless and convenient driving experience. The Hyundai i20 redefines motion, even when not on the move.

# Take the spotlight in style.

With its distinctive design and a choice of new colours, the Hyundai i20 makes an impression everywhere. The bold new front and rear bumpers blend with the striking wheels to create a shape that's full of dynamism. It doesn't matter where you want to go, it'll always fit in.

\*Lights for illustrative purposes only.

# Technology with a human touch.

Style meets substance in an intelligent interior that's designed around you and your needs. An 8" centre touch screen and a 10.25" digital cluster give you an overview at a glance, while USB-C and wireless charging and calling mean you're always connected, even if you're not plugged in. New, multicolour ambient lighting and accent options complete the package to give you an interior that's as striking as the i20's exterior.

\*Lime stitching for display purposes only.

#### **Wireless charging and USB-C.**

The wireless charging tray conveniently located in the centre console lets you easily charge a compatible Qi-enabled smartphone without the use of cables. For fast charging and universal compatibility, there's a USB-C port in the front and the rear. The front has a USB-A port to read data as well.

# Drives as good as it looks.

Regardless of whether you choose manual or automatic, the i20 has the most efficient and dynamic powertrain for you. Designed for maximum efficiency and performance, the system contributes to a reduction in fuel consumption and emissions.

## Petrol engine

1.2-litre MPI petrol engine with 62 kW (84 hp), coupled with a 5-speed manual transmission. Front-wheel drive.

1.0-litre T-GDi petrol engine with 74 kW (100 hp), coupled with a 7-speed dual-clutch transmission. Front-wheel drive.

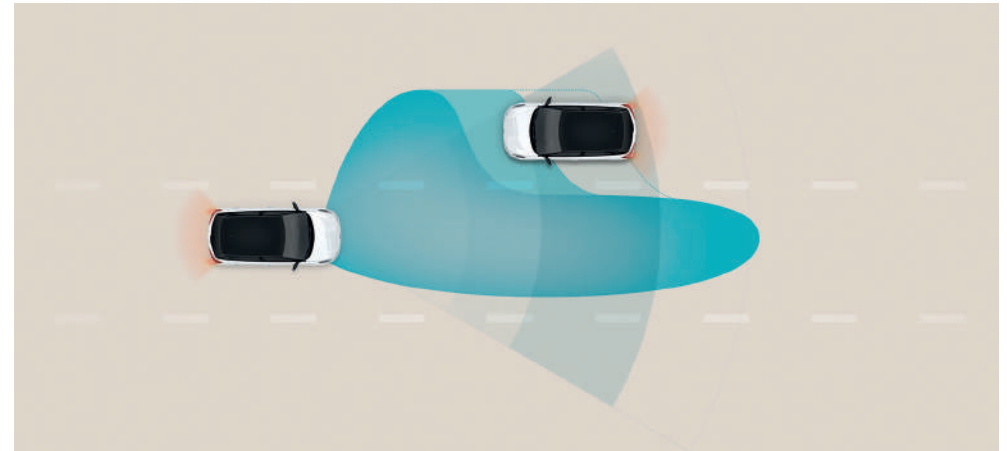

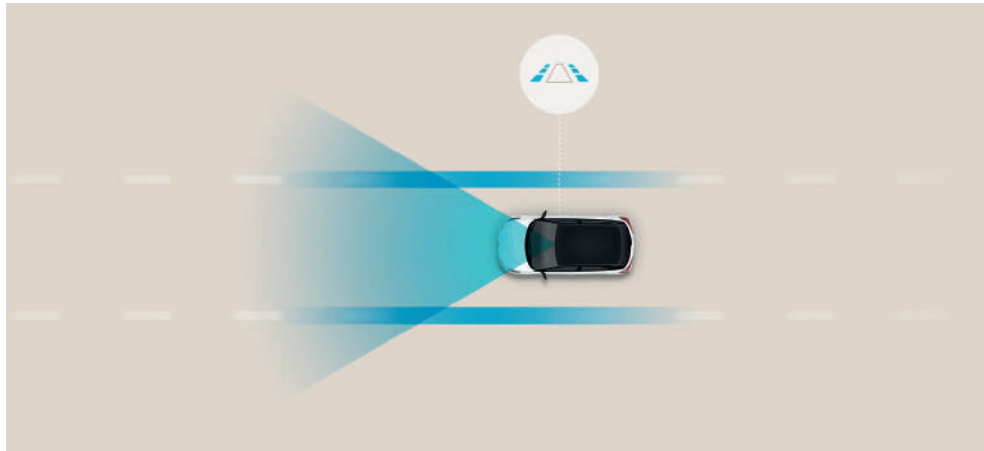

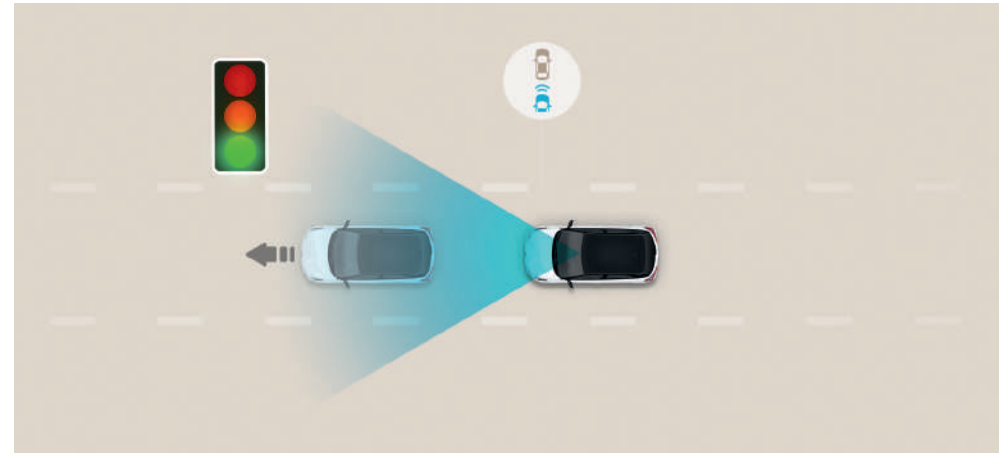

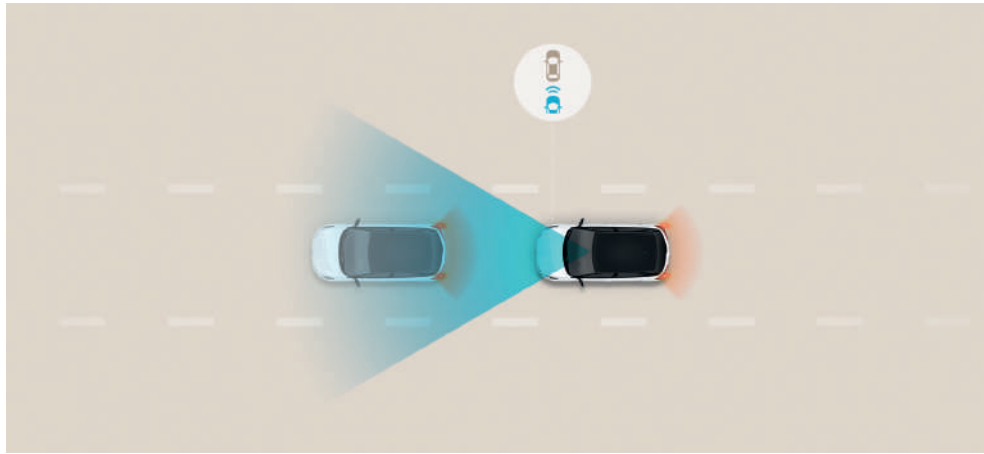

Choose between different transmission options:

### **7-speed dual-clutch transmission**

The dual-clutch system enables lightning-fast gear changes, whether you use the convenient automatic mode or prefer to shift gears manually.

# Hyundai SmartSense

Our cutting-edge Hyundai SmartSense Advanced Driver Assistance Systems give the i20 one of the most comprehensive active safety technology packages in its class – built to provide you with more safety and peace of mind. A multi-function camera in combination with multiple sensors provides the different functions highlighted here.

## Forward Collision-avoidance Assist (FCA)

Sensing the road ahead with radar and a camera, FCA warns you and then automatically brakes when it detects sudden braking by a car ahead. The system also detects pedestrians and cyclists.

## Lane Following Assist (LFA)

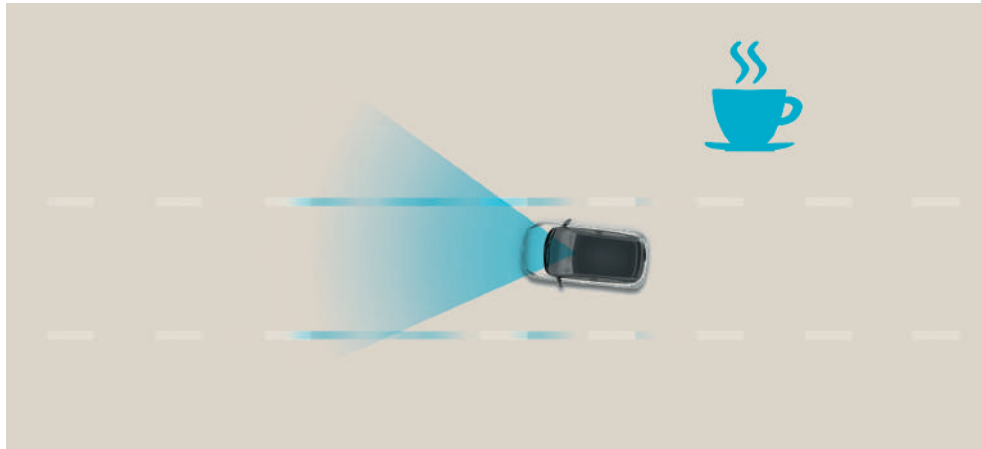

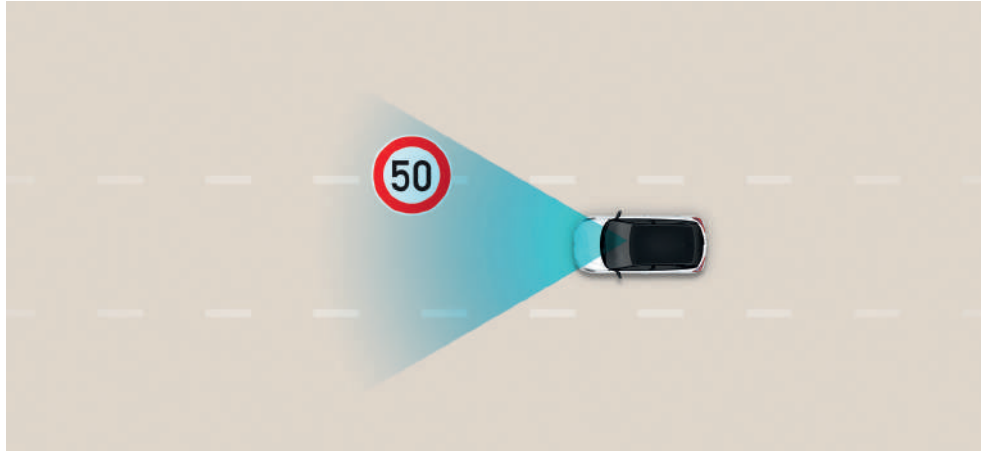

When activated, it keeps the vehicle centred in its lane at speeds between 0 and 180 kilometres per hour on highways and city streets.

## Leading Vehicle Departure Alert (LVDA)

This clever feature for city driving alerts the driver when the vehicle in front moves from stationary, like at a stop light or in a traffic jam.

## High Beam Assist (HBA)

HBA not only detects oncoming vehicles but also vehicles in the same lane ahead and switches to low beam as necessary.

**Intelligent Speed Limit Assist (ISLA)**

Alerts you with audio and visual warnings when you exceed the speed limit. When combined with the manual speed limiter or Smart Cruise Control, ISLA can even adapt the speed automatically.

**Driver Attention Warning (DAW)**

When a pattern of fatigue or distraction is identified, the system gets your attention with an alert and pop-up message suggesting a break.

# Your car. Your colours.

The i20's refreshed interior is a perfect match for the head-turning exterior look.

Trim Black Mono

Seats Black/Black

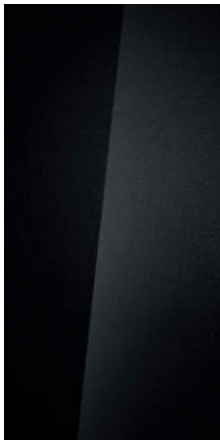

# Exterior colour options.

Make your i20 yours with eight exterior colours and a two-tone roof available in Phantom Black. Personalise your own distinctive look with a wide range of dynamic colour combinations.

**Atlas White (Solid)**

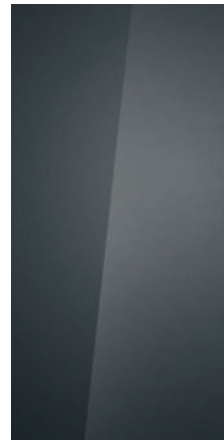

Optional two-tone roof available in Phantom Black (Pearl)

**Phantom Black (Pearl)**

**Lumen Grey (Pearl)**

**Aurora Grey (Pearl)**

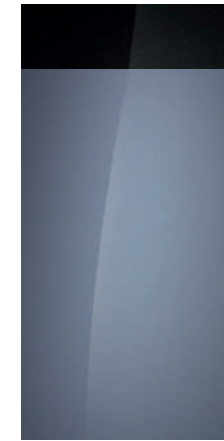

**Dragon Red (Pearl)**

Optional two-tone roof available in Phantom Black (Pearl)

**Mangrove Green (Pearl)**

**Meta Blue (Pearl)**

Optional two-tone roof available in Phantom Black (Pearl)

**Lucid Lime (Metallic)**

Comes with two-tone roof in Phantom Black (Pearl)

# Wheels.

The i20 is now available with a range of stylish wheels ranging from 15" steel wheels to newly designed 16" two-tone alloy wheels that complete the sophisticated side view.

# EU tyre labelling.

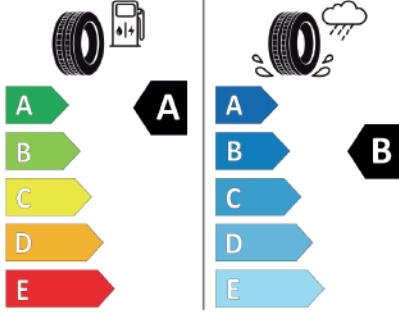

EU Regulation (EU) 2020/740 has been in effect since May 1st, 2021, which affects tyre labelling. The new labels provide a quick, clear overview of a tyre's performance.

The i20 is available with different types of tyres. You'll find detailed information for the various tyres available below.
